Write the notes in your MSC copy and learn.

Lesson: 4

Be Creative

Q No 1. Fill in the blanks.

- (i) Nikita taught music to two students from the neighbourhood.
- (ii) People with creativity and positivity will find ways to excel.
- (iii) Sudha Chandran is an international classical dancer from Kerala.
- (iv) God has given different creative powers in each child.
- (v) We should realise our inner resources and develop them to become experts.

QNo2. Word meaning.

- (i) Explore - Search through or travel for the sake of discovery.
- (ii) Nourishment - nutrition
- (iii) Astonished - amazed.
- (iv) Acclaim - applaud warmly and loudly.
- (v) Vigour - physical strength.
- (vi) Optimism - The doctrine that everything in nature is ordered for the best.
- (vii) Determination - a resolve.

QNo3. Answer the following questions.

1. How did Sudha Chandran become an inspiration for many?

Ans: Sudha Chandran was an Keralite classical dancer. She met with an accident when she was sixteen years old and

got her leg amputated. But the accident or surgery did not take away her creative energy and enthusiasm. She overcame her disability by getting a prosthetic 'Jaipur Foot'. After two years break, she continued passionate steps with renewed vigour and became one of the most popular and acclaimed classical dancers of the country - a real inspiration for many of us.

2. Do you like to make 'I can, I will, and I must' a slogan for life. Why?

Ans: Yes, it is a good exercise to repeat constantly 'I can, I will, and I must'. Let it become a part of our thinking, decisions and actions. We should realise our inner resources and develop them to become experts.

3. What did Dr. APJ Abdul Kalam say to the children?

Ans: Dr. APJ ^{Abdul} Kalam said to the children that you must be ready to experiment, explore and excel. You all will excel, if you work hard with determination. If you have different creative talents, you must keep some time to develop them.

4. Learn and write three most inspiring quotes on creativity.

Ans: ① "Optimism is the faith that leads to achievement. Nothing can be done without hope or confidence."
Helen Keller.

② "Wherever you go, no matter what the weather, always bring your own Sunshine."
Anthony J. D'Angelo.

③ "Work joyfully and peacefully, knowing that right thoughts and right efforts will inevitably bring about right results."
James Allen.

Q No 4 Key Values .

(1) Creativity

(2) Inspiration
