CARMEL SCHOOL, MADHUPUR

FIRST UNIT TEST 2025 - 2026

STD: IX	Time	: 1 hr
	BIOLOGY M.M.	: 50
Q.No.I	(A) Multiple choice question:-	(5)
1.	Cell SAP is found in	
a.	Nucleus b. chloroplast c. Golgi body d. Vacuole	
2.	Living part of the cell is called	
a.	Cell wall b. cell SAP c. Protoplasm d. cytoplasm	
3.	Organelles connected with Protein synthesis	
a.	Chloroplast b. ribosome	
C.	mitochondria d. paranoid	
4.	Ligament connects a bone with	
a. 5.	Skin b. muscle c. bone d. both a and c	
a.	Which of the following component of xylem is living Xylem parenchyma b. Tracheae c. xylem fibre d. tracheids	
В.	Give one word for the following:-	(5)
1.	Flowers containing all four whorls . 4. Study of tissue.	
2.	Tissue the transport organic food from the leaves.	
3.	Plastids containing green pigment . 5. Suples and petals of the same col	our.
Q.No.II	A. Which parts of the cell are concerned with following:-	(5)
1.	Liberation of energy. 3. Synthesis of protein	
2.	Trapping solar energy 4. Transmission of characters from parents to off spring	
В.	Complete the following sentences:-	(5)
1.	Cell discovered by	
2.	Collagen fibres provide strength to connective tissues.	
3	fibres are abandoned in tendon .	
4. 5.	Small leafy structure below sepals The pistal consisting of two carpel is	
Q.No.III	A. Where are the following structure located and what are they are functions:	(8)
a.	Thalamus b. stigma c. placenta d.Anther	
B.	What is flower? what are different part of a typical flower.	
Q.No.IV	A. Draw a labelled diagram of anyone:-	(5)
1.	A plant cell 2. A chloroplast	
В.	Give reasons for the following:-	(5)
1.	Prokaryotes have simple cell organisation.	
2.	Cells differ in size and shape.	
Q.No.V	Give one functions of each of the following:-	(5)
1.	Blood and lymph. 3. Tendon and ligament 5. Xylem	
2.	Cardiac muscle fibre 4. Meristem	

CARMEL SCHOOL, MADHUPUR

FIRST UNIT TEST 2025 – 2026

STD: IX	ENCLICII I	Time: 1 hr			
	ENGLISH – I	M.M: 50			
Q.No.I a.	Write paragraph (100-120 words) on any one of the following:- A visit to a book fair. b. Importance of reading c. Defo	[10] restation			
Q.No.II	Write a letter on any one of the following:-	[10]			
a.	Write a letter to your father from the hostel, requesting him to increase yo pocket money, giving suitable reasons. 'OR'

CARMEL SCHOOL, MADHUPUR FIRST UNIT TEST 2025 - 2026

STD: X	Time: 1 1
	GEOGRAPHY M.M: 50
PART-I.	[Attempt all questions from this part]
Q.No.I	
i)	Mark and label the Himalayas, Aravali, Western Ghats
ii)	Shade Gulf of Khambhat, Palk Strait,
iii)	Shade and label Great Indian desert.
iv)	Mark and label Karakoram pass
v)	Mark and label the most important latitude passing through the country.
vi)	Mark and label Kolkata, Visakhapatnam
Q.No.II	Choose the correct answers to the questions from the options:-
1.	If you have to transport perishable goods over a long distance which mode of transport will be
	use A)Roadways B)railways C)airways D)waterways
2.	News paper agent supplies newspaper door to door on daily basis. What mode of transport is
	used by him?
A)	roadways B) railways C) airways D) waterways
3. A)	Which is the most significant mode of transport in India? railways B) roadways C) airways D) waterways
4.	railways B) roadways C) airways D) waterways Which mode of transport is the fastest mode of transport ?
A)	waterways B) airways C) railways D) Roadways
5.	There are Railway zones in India A) 12 B) 14 C) 16 D) 18
6.	Most of the garbage of Delhi is recycled in Timarpur plant to generate.
A)	biogas B) fertilizer C) cooking gas and electricity D) all the above
7.	Which of the following set of microorganism is involved in the process of composting?
A)	agae, viruses B) Protozoa ,algae C) helminths, Archaea D) bacteria ,fungi ,actinomycetes.
	Which at the following methods at disposal is best applicable for the broken glass pieces?
8. A)	Which of the following methods of disposal is best applicable for the broken glass pieces? burning waste in open area B) recycling waste C) dumping D) composting
8. A) 9.	burning waste in open area B) recycling waste C) dumping D) composting
A)	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above
A) 9. A) 10.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics?
A) 9. A) 10. A)	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size
A) 9. A) 10.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics?
A) 9. A) 10. A) C)	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part]
A) 9. A) 10. A) C)	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part] 1. Why is a road transport an important means of a transport in India? [2]
A) 9. A) 10. A) C)	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins [Attempt any three questions from this part] 1. Why is a road transport an important means of a transport in India? [2] The Golden Quadrilateral has contributed towards improvement of the Indian economy.
A) 9. A) 10. A) C) PART- II. [Q.No.III 2.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins [Attempt any three questions from this part] 1. Why is a road transport an important means of a transport in India? [2] The Golden Quadrilateral has contributed towards improvement of the Indian economy. Explain. [2]
A) 9. A) 10. A) C) PART- II. [Q.No.III 2. 3.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part] 1. Why is a road transport an important means of a transport in India? [2] The Golden Quadrilateral has contributed towards improvement of the Indian economy. Explain. [2] Why Railway is an important means of transport than Airways? Give two reasons. [2]
A) 9. A) 10. A) C) PART- II. [Q.No.III 2.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part 1 1. Why is a road transport an important means of a transport in India? [2] The Golden Quadrilateral has contributed towards improvement of the Indian economy. Explain. [2] Why Railway is an important means of transport than Airways? Give two reasons. [2] Give three reasons as to why airways are becoming popular means of a transport in modern
A) 9. A) 10. A) C) PART- II. [Q.No.III 2. 3. 4.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part 1 1. Why is a road transport an important means of a transport in India? [2] The Golden Quadrilateral has contributed towards improvement of the Indian economy. Explain. [2] Why Railway is an important means of transport than Airways? Give two reasons. [2] Give three reasons as to why airways are becoming popular means of a transport in modern India? [2]
A) 9. A) 10. A) C) PART- II. [Q.No.III 2. 3. 4.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part 1 1. Why is a road transport an important means of a transport in India? [2] The Golden Quadrilateral has contributed towards improvement of the Indian economy. Explain. [2] Why Railway is an important means of transport than Airways? Give two reasons. [2] Give three reasons as to why airways are becoming popular means of a transport in modern
A) 9. A) 10. A) C) PART- II. [Q.No.III 2. 3. 4.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part] 1. Why is a road transport an important means of a transport in India? [2] The Golden Quadrilateral has contributed towards improvement of the Indian economy. Explain. [2] Why Railway is an important means of transport than Airways? Give two reasons. [2] Why Railway is an important means of transport than Airways? Give two reasons. [2] Inland waterways are declining in importance. Give reason. [2] 1. What are the two advantages of Indian waterways for carrying goods compared to the road transport? [2]
A) 9. A) 10. A) C) PART- II. [Q.No.III 2. 3. 4.	burning waste in open area B) recycling waste C) dumping D) composting Which of the following is an example of sources of waste? Agricultural waste B) Industrial waste C) household waste D) all of the above Why it is difficult to recycle plastics? It is very hard B) it comes in different size it is adhesive D) it contains different types of polymer resins Attempt any three questions from this part] 1.
